ORGANIC CULTURE WELLNESS INC.

Community Stabilization • Workforce Development • Wellness • Economic Empowerment

Dear Community Partner,

Organic Culture Wellness Inc. (OCW) is a federally recognized 501(c)(3) nonprofit organization dedicated to strengthening communities through workforce development, economic empowerment, wellness initiatives, emergency assistance, entrepreneurship training, and community stabilization services.

We are currently expanding our efforts throughout North Carolina and beyond to establish Community Stabilization Hubs that provide emergency food assistance, workforce readiness support, financial literacy education, entrepreneurship training, wellness programming, transportation assistance, and housing stabilization resources for individuals and families facing economic hardship.

As a community-focused organization, we are actively seeking Founding Community Partners who share our commitment to building stronger, healthier, and more self-sufficient communities.
